## c-straight smoothing shine lotion

to maintain and define straight styles

Anti-frizz formula smoothes and protects your new sleek style. This final touch in the C-straight system helps achieve weightless texture and reflective shine.

UV shield preserves color.

## features + benefits

Anti-humectants fight frizz to maintain a smooth appearance. Silicones impart shine. UV absorber derived from cinnamon protects hair from harmful sunrays. Separation and light texture are achieved with resins.

\*Boasts a modern, paraben free preservative system.

## style + usage

Work into palms and smooth over surface of hair, concentrating product on areas where increased control is desired.
