shine drops

for all hair types

Extracts of Certified Organic Oatstraw, Horsetail & Aloe are three shining examples of how to add dazzling reflection & silkiness to otherwise low luster hair. Contains Vitamin E & UV protectors too. Great stuff.

ingredients:

Cyclomethicone (*Silica), Dimethicone (*Silica), Caprylic/Capric Triglyceride (*Coconut and/or Palm), Octyldodecyl Meadowfoamate (*Meadowfoam Plant), PEG-7 Dimethicone Oliviate (*Olive Oil & Silica), Benzophenone-4, Water (Aqua), Hydrolyzed Wheat Protein, Aloe Barbadensis Leaf Juice (2), Tocopherol, Equisetum Arvense Extract (3), Avena Sativa (Oat) Kernel Extract (*Oatstraw) (3), Glycerin, Fragrance (Parfum) (Includes Botanical Oils), Methyl Dibromo Glutaronitrile, Phenoxyethanol, *Source (2) Certified Organic in Accordance with Texas Organic Standards and Certification. (3) Certified Organic by Quality Assurance International.

style + usage:

Apply 1-3 drops of glisten into palm and work through hair.

- Great for finger styling thermal ironed sets
- Adds slip during haircutting
