liquid mousse

styling spray

Experience the performance of a mousse with the ease of a styling spray. It's all about volume, softness, hold and shine. Glycerin pumps up the volume and shine while certified organic extracts of dandelion, echinacea and corn silk promote soft, silky hair. Have a good hair day every day.

features + benefits

Certified organic dandelion, horsetail, echinacea and corn silk promote soft, silky hair. Wheat protein provides thermal protection from heat styling. Glycerin helps hair achieve maximum volume and retain optimal moisture balance.

style + usage

Apply throughout damp hair before heat styling or use as a setting lotion.
