glisten spray gloss

weightless shine spray

Orbit the stress of your tresses with Spray Gloss. Avocado oil helps infuse every strand with brilliant shine. Wheat protein and amino acids back up that shine with powerful strength. This ultra light mist calms fly-aways without weighing hair down. Beautiful, reflective shine is the perfect accessory for any occasion.

features + benefits

Silica and avocado oil offer brilliant shine, while the low alcohol and concentrated formula won't weigh hair down.

style + usage

For brilliant shine hold product 8 to 10 inches from hair, apply evenly and sparingly to damp or dry hair.
